RECEIPT PRINTER: System / Bluetooth paired printer

EPSON PRINTER ADDRESS: IP address (optional)

☐ PRINT CUSTOMER RECEIPT AFTER SALE

RECEIPT FOOTER: Thank you for your purchase

Print Test Receipt

Bluetooth/USB printers must first be paired with the device. NOTs exclude prices and clearly show quantities and modifiers for preparation staff.

- 1 Choose the POS type and apply preset defaults.
- 2 Manage categories, printers and receipt/KOT options.
- 3 Press Save All Settings.

2. Business setup, categories and printing - continued

WHERE TO PRESS

Left menu > Settings

The screenshot displays the 'Settings' screen of the CEYLONRY POS system. The interface is divided into several sections:

- Categories:** A section for managing product categories. It includes a 'New category name' input field with an 'Add Category' button. Below this, there are three categories listed: 'Drinks' (2 item(s)), 'Food' (1 item(s)), and 'Services' (1 item(s)). Each category has 'Rename' and 'Delete' buttons.
- Receipts & Printing:** A section for configuring receipt and kitchen ticket settings. It includes a 'RECEIPT PRINTER' dropdown menu set to 'System / Bluetooth paired printer', an 'EPSON PRINTER ADDRESS' input field for 'IP address (optional)', a checkbox for 'PRINT CUSTOMER RECEIPT AFTER SALE', and a 'RECEIPT FOOTER' input field with the text 'Thank you for your purchase'. A 'Print Test Receipt' button is also present. A note states: 'Bluetooth/USB printers must first be paired with the device. KOTs exclude prices and clearly show quantities and modifiers for preparation staff.'
- Customer Feedback:** A section for managing customer feedback. It includes a 'FEEDBACK LINK' input field with the text 'Google review or feedback form URL' and a 'FEEDBACK DELAY (DAYS)' input field set to '2'.
- Plan & Support:** A section for managing the subscription plan. It includes a 'POS SUBSCRIPTION' card showing 'LKR 3,500 / month' and 'Includes up to 5 users. Each additional user: LKR 500/months'. Below this is a 'NUMBER OF POS USERS' input field set to '1'. The 'Estimated monthly price' is shown as 'LKR 3,500.00'. There is also an 'AUTHORIZED SUPPORT ACCESS' section with a checkbox for 'Enable Caylonry support portal'.

At the bottom of the screen, there is a 'Save All Settings' button. The left sidebar contains a 'My Business' section with 'Standstone POS System' and buttons for 'Lock POS' and 'Sign Out Business'.

- 1 Choose the POS type and apply preset defaults.
- 2 Manage categories, printers and receipt/KOT options.
- 3 Press Save All Settings.

2. Business setup, categories and printing - continued

WHERE TO PRESS

Left menu > Settings

The screenshot displays the 'Settings' screen of the CEYLONRY POS system. The left sidebar contains a 'My Business' section with 'Stand-alone POS System' selected, and buttons for 'Lock POS' and 'Sign Out Business'. The main content area is divided into several sections:

- Subscription Summary:** Shows 'LKR 3,500 / month' for 1 user. Estimated monthly price is LKR 3,500.00. Includes a 'Save All Settings' button.
- Receipts & Printing:** Contains settings for receipt printers, including a dropdown for 'System / Bluetooth paired printer', a checkbox for 'PRINT CUSTOMER RECEIPT AFTER SALE', and a 'Print Test Receipt' button. It also includes fields for 'EPSON PRINTER ADDRESS' (IP address optional) and 'RECEIPT FOOTER' (Thank you for your purchase).
- Customer Feedback:** Includes a 'FEEDBACK LINK' (Google review or feedback form URL) and a 'FEEDBACK DELAY (DAYS)' set to 2.
- Plan & Support:** A duplicate of the subscription summary section at the bottom.

- 1 Choose the POS type and apply preset defaults.
- 2 Manage categories, printers and receipt/KOT options.
- 3 Press Save All Settings.
